Pinehurst Swim Lesson Annual Calendar 2026

Our child swim lessons for ages 3-12 meet twice a week for 3-weeks. Each class is 30 minutes and is limited to 4-7 kids. Registration is held the week prior to the class start date. Our classes are offered at various times and will change monthly to accommodate the needs of participants.

How to Register

Visit www.firsthealth.org/swim, set up your child's account (video and written directions are available) and review the class level descriptions and parent info. During the registration period, log in to your account and complete the registration steps for the appropriate class. Members will have first priority the Friday before open registration to register for classes. Open registration will open to the community that Monday.

This may limit the availability of open spaces per class when open registration begins.

If you have questions, please call (910) 715-1841.
