Reid Heart Center Team

They are not only among the most respected cardiologists and surgeons in the field of heart care, but they are also members of our communities. They have made a firm commitment to ensuring that we have world-class heart care right here in the heart of the Carolinas.

FirstHealth Cardiology practices are located in Pinehurst, Raeford, Rockingham and Laurinburg.

For more information on Reid Heart Center, call (800) 213-3284 or visit www.firsthealth.org/heart
FirstHealth leads the region in advanced heart care, and that tradition continues with the Reid Heart Center.

All heart services are offered in our state-of-the-art heart center, including unique operating rooms that allow cardiologists and heart surgeons to work together at the same time. Additional features of Reid Heart Center include:

- Six operating rooms with advanced technology
- Two multi-use operating rooms for two or more procedures combined in one visit
- 57 private rooms
- Cardiac catheterization
- Bedside registration
- The region’s most advanced electrophysiology equipment and procedures
