

# Behavioral Services - Inpatient

At FirstHealth of the Carolinas, our Behavioral Services division provides multi-level integrated services to assist patients in their recovery from the physical, emotional, social and spiritual effects of their illnesses while recognizing the rights and dignity of the individual.

## Adult Inpatient Services:

Medical Detox	Inpatient Psychiatric	Voluntary Admission
Dual Diagnosis Treatment	ECT	Involuntary Admission

## Client Population Served:

Serving adults 18 years and older; specialized services available for the older population.

## Insurance Payers Accepted:

Medicaid	Medicare	Tricare
Commercial Insurance	Self Pay	

## Transfers/Direct Admissions:

**Transfers to FirstHealth Moore Regional Hospital  
call (910) 715-BEDS (715-2337)**

When you call, we will request:

- Your name, facility, department and phone number
- Patient's name, date of birth and diagnosis
- Reason for transfer
- Bed type needed

The Transfer Center staff will:

- Contact the admitting physician
- Coordinate a conversation between the referring and admitting physicians
- Assign a bed
- Connect the transferring and receiving nurses for a full nursing report
- Coordinate patient transport with the transferring hospital staff
