

# Cancer: Medical Oncology & Hematology

FirstHealth offers board certified specialist in both Hematology and Medical Oncology joined by a talented group of nurses and support staff to provide the community with exceptional patient care. Both locations offer a full range of services to include education, support services, case management, symptoms management and dietary services.

## Hematology & Medical Oncology Services Available

- Chemotherapy and Biotherapy infusion
- Blood/Platelet infusion
- Injections of cell growth stimulators into the subcutaneous tissue (fatty part of arm, leg or stomach) and other subcutaneous and intramuscular injections
- IV fluid administration and medications for symptom control for chemotherapy patients
- VAD flushes and PICC line flushes and dressing changes for oncology patients

To refer patients for a consult, call (910) 715-3500 in Pinehurst or (919) 775-8183 in Sanford. Please give the patient a copy of this form to bring to his/her appointment.
