Moore Regional Hospital Inpatient Rehabilitation Providers

**Jairon Downs, M.D.**

Jairon Downs, M.D., is board certified in physical medicine and rehabilitation. He graduated magna cum laude with a degree in biology from Southern Illinois University, and received his medical degree from Chicago Medical School in 2011. Dr. Downs completed his residency in physical medicine and rehabilitation at the University of North Carolina at Chapel Hill School of Medicine.

Dr. Downs specializes in the rehabilitation of patients suffering from stroke, brain trauma, spinal cord injury, and congenital diseases such as cerebral palsy and multiple sclerosis (MS). He performs Botox® injections for spasticity and manages intrathecal baclofen pumps for spasticity and pain, among other services.

**Michael Gwinn, M.D.**

Michael Gwinn, M.D., is board certified in physical medicine and rehabilitation, and electrodiagnostic medicine. He graduated cum laude with a degree in biochemistry from Ohio State University, and received his medical degree from the Ohio State University College of Medicine. Dr. Gwinn completed his residency in physical medicine and rehabilitation with Ohio State University Hospitals. He has been practicing medicine in North Carolina since 1990.

**David Castle, PA-C, MPAS**

Mr. Castle graduated cum laude from Kettering College of Medical Arts in Ohio with a bachelor’s degree in physician assistant studies, and received his master’s degree in physician assistant studies from the University of Nebraska Medical College-Lincoln.

He has experience in cardiothoracic surgery, pulmonary critical care, medical ICU, emergency medicine, stroke management, neurosurgery and neuro critical care, and was an emergency medical services (EMS) provider prior to becoming a physician assistant.
