

Bamlanivimab infusion patient & caregiver information

You are being referred to FirstHealth Montgomery Memorial Hospital in Troy to receive a bamlanivimab infusion. A representative from the hospital will contact you regarding this referral to set up an appointment.

This therapy will last approximately three hours, and you must come inside alone. Directions to FirstHealth Montgomery Memorial Hospital are on the back of this sheet as well as a map of the campus. Please park in the upper parking lot off Byrd Street and call (910) 571-5339 upon arrival to notify staff you are here. You will be met at the front entrance of the hospital at the time of your appointment and escorted to the infusion clinic.

The therapy takes place in a recliner, and we encourage you to bring something to help pass the time, i.e. book, phone, crosswords, etc. Wi-Fi is available on the FirstHealth guest network. You will be required to wear a medical grade mask at all times. If you do not have one, please notify the representative upon arrival and one will be provided. We encourage you to wear comfortable clothing and a T-shirt or short sleeve shirt is ideal as the infusion will be administered in your arm. You are not required to undress for the treatment.

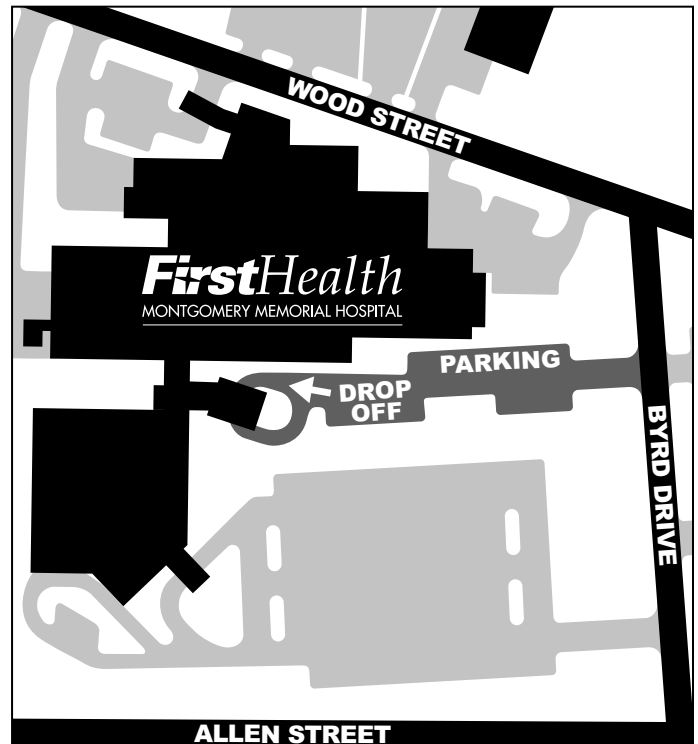

If you require someone to drive you to your appointment, please have them wait in the car.
