

Moore Regional Hospital Inpatient Rehabilitation Providers

Hope Demyan, MSN, FNP-C

Hope Demyan, MSN, FNP-C, is a board-certified nurse practitioner with experience as a registered nurse in cardiology and neurological surgery. Prior to joining FirstHealth, she worked as a nurse practitioner in skilled nursing and rehabilitation homes. She received her Master of Science in Nursing from Binghamton University, as well as two bachelor's degrees in nursing and human development. Originally from upstate New York, she relocated to North Carolina with her husband several years ago. She is an ongoing member of Sigma Theta Tau International Honor Society of Nursing.

Michael Gwinn, M.D.

Michael Gwinn, M.D., is board certified in physical medicine and rehabilitation, and electrodiagnostic medicine. He graduated cum laude with a degree in biochemistry from Ohio State University, and received his medical degree from the Ohio State University College of Medicine. Dr. Gwinn completed his residency in physical medicine and rehabilitation with Ohio State University Hospitals. He has been practicing medicine in North Carolina since 1990.

Joel Pieper, M.D., M.S.

Joel Pieper, M.D., M.S., is board certified in physical medicine and rehabilitation. He graduated with a degree in biomedical engineering from the University of Utah and served as a missionary in San Francisco, California for two years before he received his medical degree from the University of California San Diego School of Medicine in 2017. Dr. Pieper completed his internship in internal medicine at UC San Diego and his residency in physical medicine and rehabilitation with the University of Michigan.
